MONOLITH MARBLE COCKTAIL TABLE

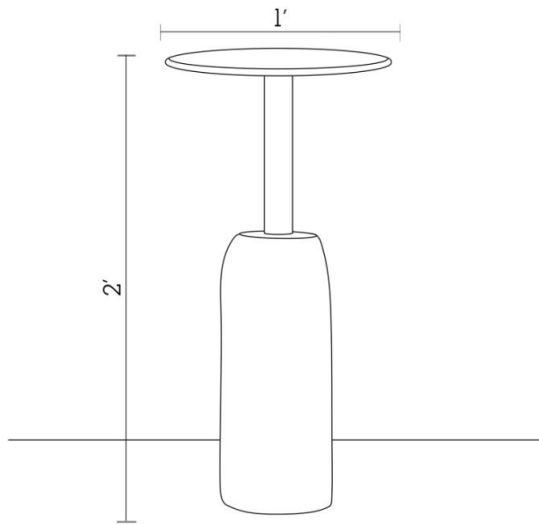

COCKTAIL TABLE  
2022

Is it a stool, a side table or a decorative object? The hand carved marble cocktail table is a functional object that works in any room, next to a couch, in an entry way or as a night stand. The silhouette of the table responds to the new appreciation for the robust, rounded design vernacular of the late 60's and early 70's.

The monolith marble table can be customised in different finishes with the stubbier spine.
