OMBRE COFFEE TABLE

COFFEE TABLE  
2023

The natural and organic appearance of the buffed aluminum table is enhanced by the ombre effect, which transitions from black to buffed silver, and is entirely hand-finished by skilled artisans. This table celebrates the inherent beauty of the material, and is an ode to simplicity that can still make a dramatic statement. Its coffee table size makes it an ideal choice for use as a center piece in a seating area or to be combined with other nesting tables.
