THE RAKU COCKTAIL TABLE

COCKTAIL TABLE
2023

Is it a stool, a side table or a decorative object? The handmade Raku cocktail table is a functional object that works in any room, next to a couch, in an entry way or as a night stand.

The silhouette of the table responds to the new appreciation for the robust, rounded design vernacular of the late 60's and early 70's with a keen focus on the beauty of the materiality and craftsmanship of Raku pottery. The Raku cocktail table is a limited edition series.
